

The Greyhound Adoption League of Texas 10th Annual Greyt Gala Dinner & Auction — “TOP GUN” Operation Forever Home

Spend an evening with the fastest dogs and one of the fastest men on the planet as you participate in a critical mission: Operation Forever Home.

Put on your aviator sunglasses, leather bomber jacket, flight suit, or military memorabilia and head over to the Frontiers of Flight Museum at Dallas Love field for GALT's 10th annual Greyt Gala. In addition to our usual celebrity guests, this year GALT welcomes SR-71 Spy Plane Pilot Colonel (ret) Rich Graham. During dinner Colonel Graham will talk about his experiences flying America's most secret aircraft at over three times the speed of sound, at 70,000 feet, and directly above some of the most dangerous spots in the world.

A custom tasting menu will be provided by Two Sisters Catering of Dallas. This type of menu allows you to circulate among the aircraft exhibits and silent auction items on display at the museum while you dine. Two Sisters brings twenty years of catering experience to the metroplex so the choices are sure to please. During cocktail hour and dinner your wine is complimentary and throughout the evening a cash bar is available for beer and spirits. All proceeds support the adoption costs and medical needs of these retired athletes

Frontiers of Flight Museum
